LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
No. ARD 2000-010

Dear Mr. Cushing:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by the Town of Newton in response to the Letter of Deficiency No. ARD 2000-010 ("LOD"). DES has determined that the specific issues identified in the LOD have been resolved in a manner consistent with the N.H. Admin. Rules Env-A 100 *et seq.*, N.H. Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the LOD has been achieved, DES is issuing this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Newton Solid Waste Transfer Station/Brush Disposal Site. This letter does not provide relief against any existing or future violations. It is important that the Town of Newton be aware of and complies with Env-A 1000, *Prevention, Abatement and Control of Open Source Air Pollution*. Please feel free to contact DES should you have any questions regarding compliance with the rules.

DES recognizes the efforts that the Town of Newton has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Joseph Ritz, Compliance Bureau, Air Resources Division at (603) 271-1391. Thank you for your cooperation.

Sincerely,

Pamela G. Monroe
Compliance Bureau Administrator
Air Resources Division
